Greetings from OCEAN OF OPPORTUNITY CORPORATION! Ocean of Opportunity Corp. is a 501 (c) (3) Nonprofit Organization. Our Mission is, "*A Wave to the Community Like an OCEAN with Flowing Resources and Endless OPPORTUNITY!*"

Ocean is created to serve and facilitate in the development of children at risk, and young adults in crisis by offering alternative educational opportunities and mentoring interventions, with a long-term goal of providing counseling and advisement services through collaborative efforts.

The scope of our programs are designed to combat the multi-generational cycle of poverty caused by school failure, underemployment, drug and alcohol abuse, a lack of positive role models, and early parenthood by offering positive alternatives.

Ocean's alternatives will target the needs with a positive-redirection module or model specifically designed as a vehicle to effectively address the identified concerns. We exist to help children in need of our services and/or programs regardless of race, color, or creed. The programs are diverse and will include education & mentoring, performing arts, computer & technology, and financial skills to mention a few!

OCEAN'S Objective is to become an organization designed to offer various programs to provide those in transition with a better OPPORTUNITY that will Provide Positive and Productive changes in their lives and their community!

Ocean will focus on directing our program participants by providing a safe, structured, and healthy environment. While also offering opportunities for participation in an array of services.

D.U.D.E.S. and D.I.V.A.S. is Our Mentoring Program which offers what is listed above with Focus and Emphasis on "One on One" Mentoring & Personal Assessments! This program is intended to Start a Lasting Relationship for Young **Dudes & Divas** by Guiding them Throughout their Life's Journey!
